

Acceptable Use Policy

Effective date: 16 July 2026 | Version 1.0

This Acceptable Use Policy forms part of the Master Services Agreement and applies to every customer account and authorised user.

You must not use IronFell services to store or transmit unlawful or infringing content; interfere with the platform or other customers; circumvent security controls; attempt unauthorised access; introduce malware; or place an unreasonable load on shared infrastructure.

Breach entitles IronFell DPS to suspend or terminate the affected services immediately and without liability. Report suspected misuse to legal@ironfelldps.co.uk.
